PART II.

Employees seeking leave because of their own or a family member's serious health condition must complete the attached Certification of Health Care Provider for Employee's Serious Health Condition, or Certification of Health Care Provider for Family Member's Serious Health Condition, within fifteen (15) days. Requests for a foreseeable medical-related leave may be denied until the required certification form is provided to GHS.

PART III. CONCERNING MY LEAVE OF ABSENCE, I UNDERSTAND THAT:

If I meet eligibility requirements (one year of employment and 1250 hours worked in the preceding twelve (12) months), I may have up to twelve (12) weeks of approved leave under the Family and Medical Leave Act (FMLA) within a "rolling" twelve-month period.

Absences for job-related illness or injury will be considered an FMLA leave if the illness or injury is a serious health condition and the employee is otherwise eligible for FMLA leave.

If I complete my FMLA leave on a timely basis and request reinstatement, I will be restored to the same or an equivalent position with equivalent pay, benefits and working conditions, provided I can perform the essential functions of the job position. If I do not request reinstatement on or before exhaustion of my FMLA leave, I will be subject to termination.

A Medical Leave of Absence granted by the Hospital DOES NOT include any guarantee that I will be reinstated to my former or an equivalent position. Reinstatement from a Medical Leave will be based upon job availability at the time of my reinstatement request.

I will not accrue benefits while on leave or accrue retirement credit for any unpaid portion of leave.

Any accrued benefits I have must be used during my FMLA or Medical Leave until exhausted. The remainder of the leave will be unpaid. The use of paid benefits will not extend the duration of my leave.

During a FMLA leave, my medical plan coverage will continue on the same basis as during my employment. I will continue to be responsible for my portion of employee and dependent medical plan premiums. If any payment for the employee or dependent portions of medical plan premiums is more than thirty (30) days late, I understand the medical coverage may be terminated for the duration of my FMLA Leave.

During a Medical Leave of Absence, I will be responsible for the full medical premiums for employee and dependent coverage. If I fail to pay such medical plan premiums, I understand that medical coverage may be terminated and that requalification may be required upon reinstatement to GHS.

It is my responsibility to make arrangements with the Human Resources Department for payment of my portion of medical plan premiums. Premiums will be paid through payroll deduction if I use paid benefits during my leave. If the leave is unpaid, my premiums must be paid or I must make other arrangements satisfactory to GHS.

I will notify the Human Resources Department upon my request for reinstatement.

For a leave for my own or a family member's serious health condition, I will submit the appropriate health care provider certification form provided by GHS within fifteen (15) days to certify my eligibility for leave. If I do not submit the appropriate certification form when requesting a foreseeable medical-related leave, my leave will be denied until medical documentation is provided to GHS.

If leave is taken for the birth of a son or daughter, to care for a child after birth, or to care for a parent with a serious health condition, I understand that a husband and wife employed by GHS and eligible for FMLA are limited to a total of twelve (12) weeks of FMLA Leave. If your spouse is a GHS employee and you are requesting leave for these reasons, please provide the following information:

Spouse's Name: _____ Department: _____

I understand that I must provide medical recertification and status reports regarding my condition if requested by GHS during my FMLA or Medical Leave.

If I take Leave for my own serious health condition, I must submit a certification from my health care provider to GHS before returning to work. I will not be permitted to return to work until the required documentation is submitted to GHS.

Upon completion of my FMLA or Medical Leave, I will advise GHS of my intention to return to work.

I verify that I have read and understand this form and that the information submitted in support of my leave request is true, correct, and complete.
